STIFFLER MCGRAW WELCOMES NEW EMPLOYEE

Hollidaysburg, PA – Stiffler McGraw, a full service-consulting firm offering complete civil engineering, surveying and architectural design services, with offices located in Hollidaysburg, Indiana, Bedford, Towanda and Titusville Pennsylvania is pleased to announce the addition of Jason F. Shura, M.S, P.E.

Mr. Shura recently joined Stiffler McGraw as a Senior Project Engineer. He will be working in the Transportation Department, out of the Hollidaysburg office, designing state and local structures.

Mr. Shura graduated with a Master's of Science Degree in Civil Engineering from the Pennsylvania State University in 2005. He is a registered professional engineer in Pennsylvania, Virginia, Ohio and West Virginia. Mr. Shura comes to the firm with over 11 years of experience in structural design, analysis and NBIS bridge inspections.

About Stiffler McGraw

Stiffler McGraw is a full service consulting firm offering complete civil engineering, surveying and architectural design services. The firm designs innovative concepts for water, sewer, bridges, roads, buildings, building sites and any other type of infrastructure project. In addition, Stiffler McGraw offers planning, funding and construction management services. With their state of the art equipment and eye for intricate detail, Stiffler McGraw can ensure that each project is completed to the highest of standards.
