## **STIFFLER MCGRAW HOSTS RIBBON CUTTING CEREMONY**

*Grand Opening of their new branch office in Titusville*

**Titusville, PA (May 13, 2016)** – Stiffler McGraw a full service consulting firm offering civil engineering, surveying and architectural design services, headquartered in Hollidaysburg, PA officially opened their branch office in Titusville, PA by hosting a ribbon cutting ceremony on May 12th.

“We are pleased with the turnout of the event and cannot thank the community enough for their outpouring of support. We truly appreciated the time everyone took out of their busy day to welcome Stiffler McGraw to Titusville,” said President, Timothy Cooper, P.E.

The new office is located at 115 West Spring Street, Suite One; Titusville, PA. The moving of office locations will allow Stiffler McGraw to be more centralized for their growing clientele in all surrounding service areas.

Stiffler McGraw looks forward to providing public and private sector clients with projects in Crawford County and surrounding areas with the comprehensive services the company offers which include, municipal engineering, water and wastewater engineering, transportation engineering, environmental engineering, land development, surveying, structural services, architecture services, landscape architecture and construction services.

### **About Stiffler McGraw**

Stiffler McGraw is a full service consulting firm offering complete civil engineering, surveying and architectural design services. The firm designs innovative concepts for water, sewer, bridges, roads, buildings, building sites and any other type of infrastructure project. In addition, Stiffler McGraw offers planning, funding and construction management services. With their state of the art equipment and eye for intricate detail, Stiffler McGraw can ensure that each project is completed to the highest of standards.
