### **STIFFLER MCGRAW WELCOMES NEW EMPLOYEE**

**Hollidaysburg, PA** – Stiffler McGraw, a full service-consulting firm offering complete civil engineering, surveying and architectural design services, with offices located in Hollidaysburg, Indiana, Bedford, Towanda and Titusville Pennsylvania is pleased to announce the addition of Tyler McGraw.

Mr. McGraw first started with Stiffler McGraw as a Civil Engineering Intern during the summer of 2015. During this time, he assisted with cost estimations, permitting, preliminary plan designs, wetland delineation, surveying and inspection.

After graduating from University of Pittsburgh at Johnstown with a Bachelor's Degree in Civil Engineering Technology, Mr. McGraw recently joined the firm as a Project Designer. He will be working in the Treatment Division, out of the Hollidaysburg office, assisting in the overall design of projects through the preparation of plans, permits and other materials related to the completion of the job.

#### **About Stiffler McGraw**

Stiffler McGraw is a full service consulting firm offering complete civil engineering, surveying and architectural design services. The firm designs innovative concepts for water, sewer, bridges, roads, buildings, building sites and any other type of infrastructure project. In addition, Stiffler McGraw offers planning, funding and construction management services. With their state of the art equipment and eye for intricate detail, Stiffler McGraw can ensure that each project is completed to the highest of standards.
