STIFFLER MCGRAW EMPLOYEE RECEIVES PROFESSIONAL ENGINEERING LICENSE

HOLLIDAYSBURG – Stiffler McGraw, a full service consulting firm offering complete civil engineering, surveying and architectural design services, is pleased to announce, as well as congratulate, Mr. Louis J. Seidel on receiving his Pennsylvania Professional Engineering (P.E.) license. Mr. Seidel is a University of Pittsburgh graduate, where he earned his Bachelor’s Degree in Civil Engineering.

Mr. Seidel has been employed with Stiffler McGraw since January 2011 and has experience in hydrology and hydraulics, site engineering, roadway design and soil erosion and sedimentation control procedures. He began his career in land development, but has transitioned to the design and project management of water and wastewater projects.

Please join us in congratulating Mr. Louis J. Seidel on this great achievement!
