Stiffler McGraw Welcomes Three New Employees

Hollidaysburg, PA – Stiffler McGraw, a full service-consulting firm offering complete civil engineering, surveying and architectural design services, with offices located in Hollidaysburg, Indiana, Bedford, Towanda and Tidioute Pennsylvania is pleased to announce the addition of Daniel Fleck, Anthony Conrad and Stephanie Walters.

Daniel Fleck recently joined Stiffler McGraw as a GIS Specialist. Dan recently graduated with a Bachelor of Science Degree in Geography-Geographic Information Science from the Pennsylvania State University, University Park. He will be responsible for the collection, management, integrity, and manipulation of geospatial data sets as a Geographic Information System (GIS) Specialist out of the Hollidaysburg office.

Anthony Conrad joins Stiffler McGraw as a Project Designer. He comes to the firm with over seven years' experience in AutoCAD drafting. Anthony graduated with his Bachelor of Science Degree in Mechanical Engineering Technology from Penn State Altoona. He will be working out of the Hollidaysburg office and will be providing design assistance to our MEP group in the form of system layout and AutoCAD drafting assistance. Anthony will be involved with the layout and specification of mechanical, electrical and plumbing systems.

Stephanie Walters joined Stiffler McGraw in January as an intern and was hired on full-time in August as a Planner in our Indiana office. Stephanie recently graduated from The Indiana University of Pennsylvania, Indiana, PA with a Bachelor of Science Degree in Regional Planning and a Minor in Sustainability Studies. Stephanie is currently working on a Comprehensive Plan Update for the Asylum Township Supervisors (Bradford County), conducting stakeholder meetings, soliciting survey responses, and re-writing the Plan document. In addition to this, she will be assisting our environmental staff to complete MS-4 sampling and preparing maintenance manuals for the permit renewals.

About Stiffler McGraw
