STIFFLER MCGRAW ANNOUNCES THE ADDITION OF A NEW SHAREHOLDER

Hollidaysburg, PA – Stiffler McGraw, a full service-consulting firm offering complete civil engineering, surveying and architectural design services, with offices located in Hollidaysburg, Indiana, Towanda and Titusville Pennsylvania is pleased to announce the addition of a new shareholder, Eric Casanave, P.E.

Eric Casanave, P.E. joined Stiffler McGraw's Municipal Engineering Division in 2012 as a Senior Project Engineer and Manager of the company's operations for the Bradford County office located in Towanda, Pennsylvania. Eric is a 1994 graduate of Penn State University with a Bachelor of Science Degree in Civil Engineering and a 1996 graduate of Purdue University with a Masters of Science Degree in Civil Engineering.

Eric's background and 22 years of experience is in municipal water and sewer design and permitting, land development design and permitting, conducting plan reviews and construction management. At Stiffler McGraw, he is responsible for project design and management for municipal water and sewer projects, project funding management and serving as the engineer for municipal and authority clients in Bradford, Sullivan, Blair and McKean Counties.

With the addition of Eric Casanave, the company now has 12 shareholders in the ownership of Stiffler McGraw.

About Stiffler McGraw

Stiffler McGraw is a full service consulting firm offering complete civil engineering, surveying and architectural design services. The firm designs innovative concepts for water, sewer, bridges, roads, buildings, building sites and any other type of infrastructure project. In addition, Stiffler McGraw offers planning, funding and construction management services. With their state of the art equipment and eye for intricate detail, Stiffler McGraw can ensure that each project is completed to the highest of standards.
