Stiffler McGraw Welcomes New Employee

Hollidaysburg, PA – Stiffler McGraw, a full-service consulting firm offering complete civil engineering, surveying and architectural design services is pleased to announce the addition of Russell Greaser.

Russ recently joined Stiffler McGraw as a Project Manager and comes to the firm with over 37 years of experience in the architectural field. He earned his Associate Degree in Architectural Engineering Technology from The Pennsylvania State University, Fayette Campus.

He will be working in our Architectural Division, out of our Hollidaysburg office, and will be responsible for architectural design, overseeing production, quality assurance and quality control, construction administration and project management.

About Stiffler McGraw

Stiffler McGraw is a full-service consulting firm offering complete civil engineering, surveying and architectural design services. The firm designs innovative concepts for water, sewer, bridges, roads, buildings, building sites and any other type of infrastructure project. In addition, Stiffler McGraw offers planning, funding and construction management services. With their state of the art equipment and eye for intricate detail, Stiffler McGraw can ensure that each project is completed to the highest of standards.
