## Stiffler McGraw Welcomes New Employee

**Hollidaysburg, PA** – Stiffler McGraw, a full-service consulting firm offering complete civil engineering, surveying and architectural design services pleased to announce the addition of Andrew Kordish, AIA, CDT.

Andrew recently joined Stiffler McGraw as a Senior Project Architect and comes to the firm with over 30 years of architectural experience. His experience encompasses all phases of project delivery including construction detailing, design, specification writing, project management, and overall project coordination. He earned his Associate Degree in Architectural Engineering Technology from The Pennsylvania State University, Fayette Campus.

Andrew will be managing the architectural division and will be responsible for project production schedules, budgets and coordination, cost estimation, building code compliance reviews and varied business development activities including RFQ and RFP submissions.

### About Stiffler McGraw

Stiffler McGraw is a full-service consulting firm offering complete civil engineering, surveying and architectural design services. The firm designs innovative concepts for water, sewer, bridges, roads, buildings, building sites and any other type of infrastructure project. In addition, Stiffler McGraw offers planning, funding and construction management services. With their state-of-the-art equipment and eye for intricate detail, Stiffler McGraw can ensure that each project is completed to the highest of standards.
